

# DOWN BY THE

# Sea

Summer's colors evoke a seaside calm, even on the shores of Erie. Whether your house overlooks our lake or is miles from the water, you can incorporate some of this season's choicest colors into your home—the cool blues of water, aquas of beach glass, greens of grass on the dunes and sandy beiges can create a splash in any room.

—TW

**1** Handmade in the most watery-city in the world—Murano Island, in the Venetian Lagoon—this bowl's swirling colors uniquely evoke sea and sky.

*Cerulean Centerpiece Bowl, \$149, [www.crateandbarrel.com](http://www.crateandbarrel.com), various locations*

**2** The shimmering, multicolored details in this mosaiked mirror reflect nature's beauty.

*Mother of Pearl Mirror, \$100, [www.pier1.com](http://www.pier1.com), various locations*

**3** Cool summer nights are welcomed with this lightweight throw, as at home on the beach as it is on your sofa.

*Cy Linen Throw, \$59.95, [www.anthropologie.com](http://www.anthropologie.com), various locations*

**4** Summery cocktails are twice as refreshing in these retro-shaped, perfectly blue beverage holders.

*Contemporary Cocktail Glasses, \$23.80 for set of 4, [www.zgallerie.com](http://www.zgallerie.com), various locations*
