

At last, June is upon us. The month of long, lazy days, Sundays by the pool, cooking on the grill, and... accordions?

Yes, we are pleased to inform you, June is National Accordion Awareness Month! Where we celebrate the lauded squeezebox, in all of it's polka glory. But what, you may ask, does the noble accordion have to do with Dada?

Absolutely nothing! Unless you want to see an accordion. Or a bicycle, or a lutefisk, or an igloo. That's the thing about Dada— every show is custom made for you, based on your suggestions. Everything we do on stage is dictated by the choices you make—if you can imagine it, we'll bring it to you on the stage. Whatever you want to see, you get. (Be careful what you wish for.)

So put down that stolen kishka and come check out a show! As for us, we're going to get the bellows on the ol' aerophones into shape... we hope to see you soon!

Something Dada strongly suggests not bringing children under 13 to our shows. We generally operate at a PG-13 level, in terms of language and content, but we can not guarantee what suggestions will be given, or what direction the show will take (it is improv, after all). If you have any questions or concerns, please e-mail us at info@somethingdada.com or call us at 216.696.4242.
